

## REACH - Confirmation

S+S Regeltechnik GmbH is a manufacturer of electronic products. As a "downstream user" within the meaning of the REACH Regulation (EC) No. 1907/2006, we do not sell, import or produce any chemical products (substances). The products we manufacture and sell are exclusively non-chemical products (goods). In addition, these do not release any substances under normal and reasonably foreseeable conditions of use. Therefore, our company is neither obliged to register with the European Chemicals Agency (ECHA) nor to create safety data sheets (MSDS).

We are in close contact with our suppliers and check compliance with the REACH regulation at regular intervals in supplier qualification. We do this in our own interest and to ensure our customers a high level of product safety.

The current list of candidates can be found on the ECHA website at:  
[http://echa.europa.eu/chem\\_data/candidate\\_list\\_table\\_en.asp](http://echa.europa.eu/chem_data/candidate_list_table_en.asp)

Nuremberg, 2<sup>nd</sup> of May 2023
